

# Your Love Is a Song

## Switchfoot

I hear you breathing in  
Another day begins  
The stars are falling out  
My dreams are fading now, fading out I've been keeping my eyes wide open  
I've been keeping my eyes wide open Ooh, your love is a symphony  
All around me, running through me  
Ooh, your love is a melody  
Underneath me, running to me Ooh, your love is a song The dawn is fire bright  
Against the city lights  
The clouds are glowing now  
The moon is blacking out, is blacking out So I've been keeping my mind wide open  
I've been keeping my mind wide open, yeah Ooh, your love is a symphony  
All around me, running to me  
Ooh, your love is a melody  
Underneath me, and into me Ooh, your love is a song  
Your love is a song  
Oh, your love is a song  
Your love is strong With my eyes wide open  
I've got my eyes wide open  
I've been keeping my hopes unbroken  
Yeah, yeah Ooh, your love is a symphony  
All around me, running through me  
Ooh, your love is a melody  
Underneath me, running to me Your love is a song  
Yeah, yeah  
Your love is my remedy  
Oh, your love is a song
