Lay Down My Life

Sidewalk Prophets

All your pain
Will be made mine
All your troubles
The tears you cry
Give it up
All that binds
I will place it on my shoulders
And up this hill I ll climb
Father, give me strength
I know there is no other way
I lay down my life for you
This is the moment when all will be made new
I know that you don t understand
But this is part of a greater plan
So I lay down my life for you
This is love
That had to bleed
To bring you mercy
To set you free
You are mine
I am yours
And I will wear your burdens
Just like this crown of thorns
I will take your place
I know there is no other way
I lay down my life for you
This is the moment when all will be made new
I know that you don t understand
But this is part of a greater plan

And I lay down my life for you
Give me all your pride
Give me all your fears
Give me all your secrets
Give me all your tears
Give me all you doubt
Give me all your shame
Watch them wash away
Watch them wash away

Give me all your pride
Give me all your fears
Give me all your secrets
Give me all your tears
Give me all you doubt
Give me all your shame
Watch them wash away
In Jesus name
I lay down my life for you
This is the moment when all will be made new
I know that you don t understand
But this is part of a greater plan
And I lay down my life for you
Though I know that you don t understand
These scars are part of a greater plan
And I lay down my life for you
Arms stretched out
Upon this tree
To show true love
To set you free
