Virus (Hybrid Mix)

Front Line Assembly

I see it now
I feel it now
Knowledge
You agitate
You educate
Throw back the hate [x2]
Get this, get this
Infatuation
You waste away, you waste away, you waste away[Chorus:]
Vengeance is a friend of mine
Fear is the key
Panic and disorder
Contaminant this worldThrow back the silence
Ignite the fear [x2]
Blinded deprivation
Tainted fear (?)
I feel this rageI feel this rage [x2]You've got the virus
The virus of contempt
Fading ?
You define
The void
The kind of reasonI see it now
I feel it now
Knowledge
You agitate
You educate
Throw back the hate
Get this, get this, get this infatuation
You waste away, you waste away
Throw back the silence
Ignite the fear [x2]
Blinded deprivation
Tainted fear
Get this, get this, get this infatuation
