

# Never Alone

## Lady Antebellum

May the angels protect you  
Trouble neglect you  
And heaven accept you when it's time to go home  
May you always have plenty  
The glass never empty  
Know in your belly  
You're never alone May your tears come from laughing  
You find friends worth having  
As every year passes  
They mean more than gold  
May you win and stay humble  
Smile more than grumble  
And know when you stumble  
You're never alone Never alone  
Never alone  
I'll be in every beat of your heart  
When you face the unknown  
Wherever you fly  
This isn't goodbye  
My love will follow you, stay with you  
Baby, you're never alone I have to be honest  
As much as I wanted  
I'm not gonna promise that cold winds won't blow  
So when hard times have found you  
And your fears surround you  
Wrap my love around you  
You're never alone Never alone  
Never alone  
I'll be in every beat of your heart  
When you face the unknown  
Wherever you fly  
This isn't goodbye  
My love will follow you, stay with you  
Baby, you're never alone My love will follow you, stay with you  
Baby, you're never alone So when hard times have found you  
And your fears surround you  
Wrap my love around you  
You're never alone
