Fuck What Ya Heard

MC Ren

Always carryin' a Mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'
Always carryin' a Mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'In '93 I'm wreckin' shit so you can fuck what ya heard
I'm droppin' plenty shit like a motherfuckin' bird
I steal gangsta boogie if I get my boogie on
Put my finger in my chrome keeps 'em fuckin' wit' my domeTellin' me to shoot all these niggaz that I hear
Bitchin' gossip in my ear, I hear this shit every year
Nigga still talkin' like a bitch
Mad 'cause another nigga tryin' ta get richI see ya tellin' niggaz, yo Ren is gonna fall
But I think ya dumb ass had too much of the eight ball
Your own motherfucker don't know
That Ren can play ya low, ya didn't know I'd fuck your hoNow the kid that you're claimin', yo you're very quick to claim
But to me it's just my gear with another fuckin' name
And niggaz wanna know what's the word
So peep it out, you can fuck what ya heardYeah, fuck what ya heard, fuck what ya heard, what ya heard
Yeah, fuck what ya heard, fuck what ya heard, what ya heardAlways carryin' a mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'
Always carryin' a mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'Niggaz gimme looks like they wanna try and thump
Thinkin' Ren is just a chump in the trunk I got the punk
Shoot it in the crowd, I shoot niggaz in the back
All my niggaz in the shack started fuckin' in the 'lacSome niggaz rolled up and said the truce was dead
Train said, Fuck it, shot the nigga in the head
And it's on, all y'all niggaz get to your post
Train just killed a nigga so we gotta do a ghostDip back to the hood, sip the forty on the way
'Cause the niggaz from my motherfuckin' hood don't play
And ya still wanna know what's the word
Nigga fuck you and fuck what ya heardYeah, fuck what ya heard, fuck what ya heard, what ya heard
Yeah, fuck what ya heard, fuck what ya heard, what ya heardAlways carryin' a mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'
Always carryin' a mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'He say, she say, who gives a fuck what they say?
Screamin' off at mayday the shit is goin' my way
Niggaz can't believe that I'm so much of a G
'Cause I don't let swanky bitches sit up under meNow y'all niggaz out there y'all swear y'all can scrap
Get your ass kicked, makes ya wanna try to rap
Sprung on a ho yo smokin' all your weed

Fuckin' with a bitch that ya really don't needThe click, my niggaz from the click pimps hoes
Rich, Train block my nigga, Bone and Jubee Lows
Them fools can't even say a word
'Cause a nigga don't give a fuck about what ya heardYeah, fuck what ya heard, fuck what ya heard, what ya heard
Yeah, fuck what ya heard, fuck what ya heard, what ya heardAlways carryin' a mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'Always carryin' a mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'Always carryin' a mack 10, know what I'm sayin'?
Ren is a nigga that you don't wanna fuck wit'
