

Dancing Pants

Justine Clarke

Dancing Pants Got my dancin' pants - now I'm gonna danceâ€”

Won't you come along - dancing to this song

Let's try this and see - moving with our feetâ€”

Do it after me - counting to the beat 1 2 3 and 4 - come on let's count some moreâ€”

5 6 7 and 8 - oh yeah we're dancing greatâ€”

Skit the skat - Move like thatâ€”

Zippety bop - shoo sh'boomâ€”

Let's all move and groove across the room

Hands float through the air - climbing up a treeâ€”

Slowly turn around - clap your hands with me

Feet stuck on the floor - then we move our kneesâ€”

Moving back and forth - dancin' to the beat 1 2 3 and 4 - come on let's count some moreâ€”

5 6 7 8 and 9 - let's try something new this timeâ€”

Bump the bump - tip your hat -â€”Zibbedy bop -
shoo sh'boomâ€”

Let's all move and groove across the room If you wanna dance - grab your dancin' pantsâ€”

Do your belt up tight - now you're dancin' right

Kick your feet up high - try and touch the skyâ€”

Shake shake shake your hair - shout out loud - yeah yeah yeah

1 2 3 and 4 - come on let's count some moreâ€”

5 6 7 8 9 10 - put it all together againâ€”

Skit the skat - move like thatâ€”

Bump the bump - tip the hatâ€”

Zabbedy bop - shoo sh'boomâ€”

Let's all move and groove across the room Dancin' Pantsâ€”
