The Corner

Common

Always look on the bright side of life
Always look on the bright side of life
Some things in life are bad, they can really make you mad
Other things just make you swear and curse
When you're chewing on life's gristle, don't grumble give a whistle
This will help things turn out for the best
Always look on the bright side of life
Always look on the right side of life
If life seems jolly rotten, there's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps, don't be silly, chumps
Just purse your lips and whistle, that's the thing
So, always look on the bright side of death
Just before you draw your terminal breath
Life's a counterfeit and when you look at it
Life's a laugh and death's the joke, it's true
You see, it's all a show, keep them laughing as you go
Just remember the last laugh is on you
Always look on the bright side of life
And always look on the right side of life
Always look on the bright side of life
And always look on the right side of life
