Paper Money

Andy Pratt

Heaven's so far away
Heaven, just a taste
Heaven's so far away

Cherry, cherry, cherry
Cherry, cherry, cherry
Cherry, cherry, cherry, baby

Heaven's so far away
Cherry on your lips
Heaven's so far away

Tell me, baby, who's your daddy?
Who's your daddy?
Can't love like me
(Can't love like me)
Keep it burning, baby

Like paper money
Give it to you easy
Keep it burning, baby
Cherry on your lips
Is heaven's so far away?

Don't you ever leave me, baby
I believe that you can save me
Heaven, just a taste
Heaven's so far away

You're gonna get me high
You can do it, baby
You're gonna get me high
Keep it burning, baby
You're gonna get me high
Like paper money

Girl, who's your daddy?
Who's your daddy?
Can't love like

You can't love like me

I keep burning, baby
I'm paper money
Girl, you know I'm your daddy
You can't love like me
Can't love me, baby
You can't love like me

I keep it burning, baby
Like paper money
I keep it burning, baby
Heaven's so far away
