Young Khalifa

Wiz Khalifa

All about my money if your not i'll see you later
i take out the first two letters and say ha ha to you haters
i got rooms wit elevators
yeah they say i'm futuristic
got a iphone for business
but the sidekicks for the bitches
i'm young khalifa
i'm young khalifa
i'm young khalifa
i'm young khalifa
i'm young khalifa
i'm young khalifa
i'm young khalifa
Stupid swaggered up niggas mad at us
All my niggas rep that gang
And my bitch, she bad as fuck
Hair down her back
Religion always true
My president is black
My head coach too oooo
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa
Tatt'd like a mexican
fresher than a freshman
Pocket full of benjimans
How much aint a question
Wont believe how many older women that be crushin

Never quick to cause a scense
To me it's really nothing
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa

I'm young khalifa
I'm young khalifa
I'm young khalifa
Calim your flows insane
But nigga's not so sick
Let him heat up for i eat up
Hope tha pot dont stick
And my knots dont fit
But my jeans do
Apoligize for shittin on your niggas
I aint mean to
I see life in plain veiw
I'm lookin out the window
Lickin swisher tips
And a bitch to fluf my pillow
California trips got me on that different swag
If u aint know who i was
I bet u know it now
YEAH
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa
I'm young khalifa
