

High Heels (MTV Unplugged)

Mando Diao

Ooh, you got me shaking to that moan you made last night
Ooh, my body's aching from that naked summer light
Ooh, my mind's setting you on, it's just a game we play
High heels have got me falling down on my knees
High heels have got me falling down on my knees
High heels have got me falling down on my knees
Ooh, the button's pushed and I am ready for the purple fall
Ooh, I'm all addicted to the sound of a certain call
Ooh, my mind's melting you, ooh, I'm coming all the way
High heels have got me falling down on my knees
High heels have got me falling down on my knees
High heels have got me falling down on my knees
So, so long ago since I felt shivers down my spine
You, I need your sweat as much as you need mine
Ooh, my mind's melting you, ooh, I'm coming all the way
High heels have got me falling down on my knees
High heels have got me falling down on my knees
High heels have got me falling down on my knees
