

Lafayette

R. Scott

Lafayette - dirty streets, drippin' wet
Lafayette - take me to the heart of it
Lafayette - gonna pass the bottle 'round
Lafayette - let's dance until we all fall down

Crimson mama
White gown, colors bleed
Lead me to temptation
Then sail away with me

Lafayette - dirty streets, drippin' wet
Lafayette - take me to the heart of it
Lafayette - standing on this hallowed ground
Lafayette - are your ships all heaven bound?
