

Time Machine (Instrumental)

Monster Magnet

Darling, let me dry up all your tears
How about Luna Park tonight and the Algiers?
Remember how we stole the Pharaohs' gold?
We laughed at all the rubes as they got old That's all fine if you have a time machine
But I broke mine, can't you see?
Now, I'm here on the edge of the world
Missing you, it's true
I'm missing you I think I'll go back to 1969
I'll buy some comic books and replay my whole life
Bills come in, but we don't have to pay
I can mend your heart when I change yesterday That's all fine if you have a time machine
But I broke mine, can't you see?
Now I'm here on the edge of the world
Missing you, it's true
I'm missing you
