

Dreamland

Bunny Wailer

There's a land that I have heard about
So far across the sea
There's a land that I have heard about
So far across the seaTo have you all, my dreamland
Would be like heaven to me
To have you all, my dreamland
Would be like heaven to meWe'll get our breakfast from the tree
We'll get our honey from the bee
We'll take a ride on the waterfall
And all the glories, we'll have them allAnd we'll live together on that dreamland
And have so much fun
We'll live together on that dreamland
And have so much funOh, what a time that will be
Oh yes, we'll wait, wait, wait and see
We'll count the stars up in the sky
And surely we'll never die, and surely we'll never die
