Rush

Depeche Mode

Walk with me
Open your sensitive mouth, talk to me
Hold out your delicate hands, feel me
Couldn't make any plans to conceal me
Open your sensitive mouth
With such a sensitive mouth
I'm easy to see through
When I come out
When I rush
Cry for you
Seen the tears roll down from my eyes for you
I heard my truth distorting to lies for you
Watched my love becoming a prize for you
Seen the tears in my eyes
Seen the tears in my eyes
I'm not proud of what I do, no
When I come out
When I rush
Come up to meet you
Up there somewhere
When I rush to greet you
My soul is bared
Gave more for you
I dropped my crutches and crawled on the floor for you
Went looking behind every door for you
Because of the things that I saw for you, I spiritually grew
When I come out
When I rush
When I come out
When I rush
I rush for you, no
When I come out
When I rush, yea
I rush for you, come on
I rush for you
I rush for you
