Easy Street

Miriam Bryant

You think you know it all
But you don't know nothing at all
And every step you take you fall into
The darkest part of your solitude()
Then you will hear your name
Called at the very end of this game
And every little breath you take
Reminds me of all the rules you break
You know nothing of shame()
I am nothing like on easy street
I am nothing like on easy street
()
I wish you all the worst
I hope that all your dreams will burst
Into a thousand pieces of pain
Maybe that will make you feel the same()
As mean when you came along
When you turn my rights into wrongs
But at the end of the day
I know that you don't feel this way
'Cause you know nothing of shame()
I am nothing like on easy street
I am nothing like on easy street
You know nothing of shame
I am nothing like on easy street
You know
You know nothing, no nothing of shame
I am nothing like on easy street()
I am nothing like on easy street
I am nothing like on easy street
I am nothing like on easy street
You know nothing of shame
I am nothing like on easy street
