

Youth Against Fascism

Sonic Youth

Another can of worms
Another stomach turns
Yeah your ghetto burns
It's the song I hate
It's the song I hate You got a stupid man
You got a Ku Klux Klan
Your fuckin' battle plan
It's the song I hate
It's the song I hate A sieg heil-in' squirt
You're an impotent jerk
Yeah a fascist twerp
It's the song I hate
It's the song I hate Black robe and swill
I believe Anita Hill
The judge will rot in hell
It's the song I hate
It's the song I hate Yeah a cross on fire
By a Christian liar
A black attack and fire
It's the song I hate
It's the song I hate Yeah the president sucks
He's a war pig fuck
His shit is out of luck
It's the song I hate
It's the song I hate Another Nazi attack
Skinhead is cracked
My blood is black
It's the song I hate
It's the song I hate We're banging pots and pans
To make you understand
We gonna bury you man
It's the song I hate
It's the song I hate I'm a human wreck
Redneck in check
I killed the teacher's pet
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate

It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
