

Seasons of My Heart

Johnny Cash

The seasons come the seasons go
We get a little sunshine, rain and snow
Just the way that it was planned to be But there's no seasons in my heart
While you play the leading part
'Cause the flowers will bloom eternally Your leaving will bring autumn sorrow
And my tears like withered leaves will fall
But spring could bring some glad tomorrow
And, darling, we could be happy after all As it is in nature's plan
No season get the upper hand
How I try to keep this fact in mind
