

# Willy

## Konstantin Wecker

Willy is my child, he is my father  
I would be his lady all my life  
He says he'd love to live with me  
But for an ancient injury that has not healed  
    He said I feel once again  
    Like I gave my heart too soon  
He stood looking through the lace  
At the face on the conquered moon  
And counting all the cars up the hill  
    And the stars on my window sill  
    There are still more reasons  
    Why I love him  
Willy is my joy, he is my sorrow

Now he wants to run away and hide  
    He says our love cannot be real  
He cannot hear the Chapel's pealing silver bells  
    But you know it's hard to tell  
When you're in the spell if it's wrong or if it's real  
    But you're bound to lose  
If you let the blues get you scared to feel  
    And I feel like I'm just being born  
Like a shiny light breaking in a storm  
    There are so many reasons  
    Why I love him  
Willy is my child, he is my father
