

Oh Darling

Supertramp

Oh darling, will you ever change your mind?
Yeah, I've been feeling left behind
Like a shadow in your light
Shadow in your light, in your light Ah honey, won't you say that I'm the one?
And if you think, you're gonna run
Well you know I'm gonna be around you, all about you
Always by your side
I'm gonna dream about you, scheme about you
Love you all the time
I'm gonna catch you lady, catch you lady, yeah The news is all over town
You better, not let me down
Keep telling me you're feeling good
As good as you ever could
Please, tell me that you'll never go
Ah ha, no no Tell me that you'll never go, never go, no
Ah lately, I'm like a watch that's overwound
And I've got both feet, off the ground
Because you see I'm gonna be so busy, oh my pretty
Love you night and day
And through the rain and shine
I'll make you mine
I'll love you, come what may
I'm gonna catch you lady, catch you lady
Catch you lady, uh huh
I'm gonna catch you lady, catch you lady
Catch you lady, uh huh I'm gonna
I'm gonna
I'm gonna
I'm gonna, catch you lady
...
