

Flood the Earth (feat. Katie Torwalt)

Jesus Culture

Break down the walls
Push back the dark
Light of the world
Move in our hearts There's a stirring in the spirit
Heaven
Something holy, can You feel it?
Heaven Let Your glory and Your power
Let Your majesty and worth
Flood the earth
Flood the earth Let the rumors of Your kingdom
Let Your name without reserve
Flood the earth
Flood the earth
Freedom is here
Fear has to leave
Pain has to go
Darkness retreat Every heart here finding healing
Heaven
In this moment you're revealing
Heaven Let Your glory and Your power
Let Your majesty and worth
Flood the earth
Flood the earth Let the rumors of Your kingdom
Let Your name without reserve
Flood the earth
Flood the earth
Uh, come and flood
Your presence flood out
Your spirit flood out Break down the walls
Push back the dark
Light of the world
Move in our hearts
Heaven
Flood the earth Break down the walls
Push back the dark
Light of the world
Move in our hearts
Heaven
Flood the earth Freedom is here

Fear has to leave
Pain has to go
Darkness retreat
Heaven
Flood the earth And freedom is here
Fear has to leave
Pain has to go
Darkness retreat
Heaven
Flood the earth Let Your glory and Your power
Let Your majesty and worth
Flood the earth
Flood the earth Let the rumors of Your kingdom
Let Your name without reserve

Come and flood it
Uh uh uh Let Your glory and Your power
