

In a Little While

Hanson

In a little while, surely you'll be mine
In a little while I'll be there
In a little while, this hurt will hurt no more
I'll be home, love When the night takes a deep breath
And the daylight has no air
If I crawl, if I could crawl in home
Will you be there? Slow, slow down my beating heart
Slow, ooh slow down, slow down now In a little while, I will blow by every breeze
Friday night running to Sunday on my knees
See that girl, that girl, she's mine
And I've known her since, since she was a little girl with Spanish eyes Oh and I saw her in a pram that pushed
her by
Ooh, my how you've grown, yeah
And it's been, oh it's been a little while
It's been a while, ooh Slow down my beating heart
Slow down, well slowly, well slowly love
Slow down my beating heart
Well slowly, well slowly love
Slow down my beating heart, yeah
Well slowly, well slowly love A man dreams one day to fly
A man takes a rocket ship into the sky
He lives on a star that's dying in the night
And follows in the trail, the scatter of light Turn it on, yeah, you turn it on, yeah
You turn me on, yeah, you turn me on, yeah
One more time now Slow down, slow down my beating heart
Slow down, well slowly, well slowly love
Slow down my beating heart
Well slowly, well slowly love Slow down my beating heart, yeah
Well slowly, slowly love, yeah
Slow down my beating heart, yeah
Well slowly, slowly love, yeah
Well slow down my beating heart, yeah
Well slowly, well slowly love, ooh
