

Cool Down Reggae

[Raffi](#)

Cool Down Reggae, slow down reggae
Cool Down Reggae, slow down reggae
In the bustle of a busy day, time for refreshment
In the country or in the town, oh yeah-we can slow it down
Cool Down Reggae, slow down reggae
Cool Down Reggae, slow down reggae
In the rhythm of a jangly day, time for enjoyment
In the sway of the come and go, so nice to take it slow
Cool Down Reggae, slow down reggae
Cool Down Reggae, slow down reggae
In the morning or the afternoon, take a breather soon
In the evening of a long day, put the workaday away
Cool Down Reggae, slow down reggae
Cool Down Reggae, slow down reggae
... we be dancing
