

Get Lucky

The Twilight Singers

Careful when you look into my eyes, you turn to stone
And I am not so strong to let you go
Tell me, does it scare you when I look the other way?
Through the walls into your very soul I get lucky sometimes, I get lucky sometimes
Shakes me down for secrets
in the light of day, does she
But I'm not so dumb to let you know
Whispers in the sea just come, devour all my needs
But I still have one card I've yet to show I get lucky sometimes, I get lucky sometimes
Once you know the way
down laughter runs to you
Once you know the way down laughter runs to you
Tell me, tell me, why don't you tell me 'bout the reasons why
You're lying in the dark, when there's a master ready
And tell me, tell me, don't run away to buy more complication
Find a time of day and the sun will shine again I get lucky sometimes, I get lucky sometimes
Once you know the way
down laughter runs to you
Once you know the way down laughter runs to you
Once you know the way down laughter runs to you
Once you know the way down laughter runs to you
Once you know the way down laughter runs to you
Once you know the way down laughter runs to you
Once you know the way down laughter runs to you
