Remarkable

Scott MacIntyre

Not just a number in line, you are unique by design
Your an image of the divine
More than the stars in the Sky, you're sparkling in His eyes,
He's got a plan for your lifeOh, don't you know? Oh don't you know that -
You - you - you are, You - you - you are,
Remarkable (remarkable)Straight from His heart, He says you are
Remarkable (remarkable)More than a mirror can say, cause it's a promise He made
By the hands of grace,You - you - you are, You - you - you are,
Remarkable (remarkable)So don't ever give up on yourself, it's not about the times that you fell,
You got a story to tellOh don't your know, Oh don't you know that
You - you - you are, You - you - you are,
Remarkable (remarkable)More than a mirror can say, cause it's a promise He made
By the hands of grace,You - you - you are, You - you - you are,
Remarkable (remarkable)Unmistakable, irreplacable,
Oh your life is, more than priceless,You - you - you are, You - you - you are,
Remarkable (remarkable)
You - you - you are, You - you - you are,
Remarkable (remarkable)
