

# Cupcakes Taste Like Violence

Jeffree Star

You can't stop  
You can't stop  
You can't stop  
You can't stop  
My hair looks like cotton candy  
My heart is made of sequins  
Blowpops and meat cleavers  
Give me something sweet  
Give me something  
Give me something  
Give me something sweet sweet sweet  
My skin looks like vanilla  
My mouth is made of sugar  
Syringes and cupcakes  
Give me something sweet  
I'm good enough to eat  
Oh yeah  
You can't stop  
Staring at me  
You can't stop  
I'm good enough to eat  
You can't stop  
Sticky sweet  
You can't stop  
Oh  
(x2)  
My makeup looks like rainbow sherbet  
My brain feels like hard candy  
Gashes and sundaes  
Give me something sweet  
Give me something  
Give me something  
Give me something sweet sweet sweet  
Lipstick like pink bubblegum  
Heart like a snow cone  
Jawbreakers and morphine  
Give me something sweet  
I'm good enough to eat

Oh yeah  
You can't stop  
Staring at me  
You can't stop  
I'm good enough to eat  
You can't stop  
Sticky sweet  
You can't stop  
Oh  
(x2)  
Sprinkles everywhere  
Candy hearts and bruises  
31 flavors  
Which one are you choosing?  
(x2)  
Which one are you choosing?  
Which one are you choosing?  
Sprinkles everywhere  
Candy hearts and bruises  
31 flavors  
Which one are you choosing?  
(x2)  
Which one are you choosing?  
Which one are you choosing?  
Which one are you choosing?
