

Windy

Scarlet Pleasure

Ooh bitches with ambition
Get down in position
Know I care for youu
I know you're looking alright
When you're bouncing in the sunlight
With your golden tail

I wanna feel your body, are you free for the next hour
I wanna stay in bed, and dispose it in my head
I would go from tip to toe, and try to let you know that
I can't get enough of your booty
Don't stop the things you do, baby
Yeah baby
This dinner time is windy
I'm at time I got you and me a life
We'll travel to the ocean, watch your every motion
Come on love, love
Pretty love, love
I need some of that rough love
Please tell me where we're rushin'
Come on love, love
I need you you you youu

I knew you're up for something when I caught your
Body bumping up against the wall
Got an incrypt in my? no wonder that I kept her
Can't be far so long

I wanna feel your body, are you free for the next hour
I wanna stay in bed, and dispose it in my head
I would go from tip to toe, and try to let you know that
I can't get enough of your booty
Don't stop the things you do, baby
Yeah baby
This dinner time is windy
I'm at time I got you and me a life
We'll travel to the ocean, watch your every motion
Come on love, love
Pretty love, love

I need some of that rough love
Please tell me where we're rushin'
