For Dear Life

Advisory - the following lyrics contain explicit language:

The flag of free enterprise, fronts as you fend
In the battlefield of bureaucracy, the trenches you shall tend
These days of adversity, the hassle never ends
The nemesis of fortitude, holds a gun to your headOn your knees, say your prayersFor dear life, for dear life, for dear life, for dear life
Holding on for dear life
For dear life, for dear life, for dear lifeShow some humility to the powers that be
A gesture to mortality, your blind libertyOn your knees, say your prayersFor dear life, for dear life, for dear life, for dear life
Holding on for dear life
For dear life, for dear life, for dear lifeLife, for dear life
Life, for dear life
Life, for dear life
Life, for dear life
Life, lifeLife, for dear life
Life, for dear life
Life, for dear life
Life, for dear life
