

# Unforgivable (Radio Edit)

Armin van Buuren

You used to light up the dark  
With your unrelenting spark you always put a fire in me  
You use to say I'm the one  
The only ways on you could touch without the fear of burning  
Well, you used to try to please me  
Yeah, you used to try to please me[x2]  
Never said this would be easy Would you tell her now?  
While you hold her in your arms  
Are you pretending she's me? Just a... Ago  
Before you realize that she's the one that you're going to loose[x2]  
You just got there, now you're leaving[x2]  
Your sweet nothings out deceiving Well, it ain't over till it's over  
And my world shuts down  
But this comes close  
I'll have you know  
It's just a matter of time  
But it ain't over till it's over  
But I won't be made a fool  
Cause living with the way you did was just so unforgivable[x7]  
Unforgivable Well, it ain't over till it's over  
And my world shuts down  
But this comes close  
I'll have you know  
It's just a matter of time  
But it ain't over till it's over  
But I won't be made a fool  
Cause living with the way you did was just so unforgivable[x7]  
Unforgivable Well, it ain't over till it's over
