

# Honey Revenge

## Dance Gavin Dance

I will never let you leave my sight  
I've been staying up lately, all night  
Making sure you get to bed safely  
Dreaming of when it will be you and me Ohh, ohh  
Ohh, ohh You go there and I'll go too  
I'll be the one that follows you  
Watch you sleep and watch you wake  
Notice all the moves you make  
(Be your rock, I'll be your guide)  
(Without you it's suicide)  
Can't wait til the day we meet  
(Until then I'll watch you sleep)  
Oh (I'm just tying the knot)  
Can't wait to catch you all alone  
Oh (I'm just tying the knot)  
Girl, then I swear I'll take you home  
Whether you want it or not  
Whether you like it or not Whether you want it or not  
Whether you like it or not I will never let you leave my sight  
I've been staying up lately, all night  
Making sure you get to bed safely  
Dreaming of when it will be you and me I've got the sickest picture of you in my mind  
I get the strangest urges all of the time inside  
Take part in this demonstration, rope mixed with wine  
I hope to follow through with you cause the timings right  
Stuck inside the living room  
Tangled faces, glow in tune  
(Commenting is hardly rude)  
I can't monitor what I consume Body count competition  
Childhood memory demolition  
(Slap your wrist, except the sentence)  
Ain't my fault if I'm irrelevant Oh (I'm just tying the knot)  
Can't wait to catch you all alone  
Oh (I'm just tying the knot)  
Girl, then I swear I'll take you home  
Whether you want it or not  
Whether you like it or not Whether you want it or not  
Whether you like it or not I'm always watching you
