

MARCUS HOOK ROLL BAND-12-Ape Man

Marcus Hook Roll Band

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

iâ€™ve got my gun,iâ€™ve got my clumb,iâ€™ve got my knife,i beat my drum, i beat my chest, i beat my wife, iâ€™ve my car, iâ€™ve got my house, iâ€™ve got my vote youu pick on me and iâ€™ll stick my gun righth down your throat itâ€™s not unfriendly if you tell me that iâ€™m righth but if down youâ€™re gonna wind up in a figth

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

i like to talk about the women that iâ€™ve done
donâ€™t get no love bats boy iâ€™ve laid most everyone
iâ€™m not the other way as any man can see
thatâ€™s what you tell them, Harry, but itâ€™s not what tell me
i should have died out ten thousand years ago
but look around you andi bet thereâ€™s one you known

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman

well iâ€™m your apeman
