Down In the Bottom

Hubert Sumlin

Well come over here now
Hand me my runnin' shoes
Well come over here mama
Hand me my runnin' shoes
You gotta open up your window
I ain't got no time to loseYou see me in the bottom
Lordy now, streakin' by
Well, see me in the bottom mama
Lordy, streakin' by
You can bet your bottom dollar
That I'm runnin' for my life
I ain't lyin' babyThat's what I'm talkin' 'boutWhat you think about that baby
