

Close Every Door

Tim Rice

Close every door to me
Hide all the world from me
Bar all the windows and shut out the light
Do what you want with me
Hate me and laugh at me
Darken my daytime and torture my nightIf my life were important I
Would ask will I live or die
But I know the answers lie far from this worldClose every door to me
Keep those I love from me
Children of Israel are never alone
For I know I shall find
My own peace of mind
For I have been promised a land of my ownJust give me a number
Instead of my name
Forget all about me and let me decay
I do not matter
I'm only one person
Destroy me completely then throw me awayIf my life were important I
Would ask will I live or die
But I know the answers lie far from this world
Close every door to me
Keep those I love from me
Children of Israel are never aloneFor we know we shall find
Our own peace of mind
For we have been promised a land of our own
