Radio

Catpeople

i sell my life
there want to circle
my blind

i sell my life
you feel me, my sick
oh no

you want this crowns,this screams again
well come on
sing for them tonight

i sell my life
i need to stand up,again

come on come onnow
we want to song on the radio, radio
i want to feel this
i want to shift for the radio, radio

come on come on now
we want to scream on the radio, radio
i want to feel this
i want to life for the radio, radio, yes

i sell my life
there want to use me
till the end

i sell my life,
there feel me, my sick
start

you want this crowns this screams again
well come on
sing for them tonight

i sell my life
i have to stand up, again

come on come onnow
we want to song on the radio, radio
i want to dream well
i want to life for the radio, radio

come on come on now
we want to scream on the radio, radio
i want to dream well
i want to life for the radio, radio, yes

i feel everything comes to
my life now
its when i change my own
the history, i hope
i hope you give me a chance
to smile

i sell my life
i sell, i sell..(bis)
