When I Drown

Audiovent

Listen to me, when I say, beautiful time is fading away
When will I wake from this dream?
It's a never ending painful sceneI rise up when I drown, the water is thicker
I rise up when I drown and swim to the surfaceThinking of you brings me down
How could you pull the plug and replace me with someone else?I rise up when I drown the water is thicker
I rise up when I drown and swim to the surfaceHave you ever wondered about me?
Did you lose your feelings or forget what my name is?
Have you ever wondered , well, have you?I rise up when I drown the water is thicker
I rise up when I drown and swim to the surface
I rise up when I drown the water is thicker
I rise up when I drown
