

I Trust You

Anthony Faulkner

Verse 1

No Matter the day nor time
You never left my side no, no
When I cried at night from a broken heart You lifted all the pain (GONE AWAY)
Unemployed fighting survival you met my every need)
And I will tell of all your goodnessChorus:
(2 X's)*I've been through it all
and I've learned to trust in you
Inspite of all my trials that come,
I trust (YOU)Verse 2

Oh Lord You know

The Destiny and the roads I'm going to take
No weapon formed shall prosper, I know you're there all the way
For you're the lover of my soul, and the reason I'm made whole
I adore youChorus: 2 x'sBridge:

When I cried late at night OH (Lord you heard my cry, eh)
Broken hearted defeated (but I still called your name)
Now I'm stronger (I'm Stronger) Delivered (Delivered)
Emmanuel's with me

Lord I trust (I trust you), Lord I trust you, (I trust you) Lord I trust youModulation(OHH HHHHH- I TRUST) (4
times)

When I cried at night you heard my call
When the bills were due, you made a way
When my body ached, you healed the pain, Thank you Lord, Thank you lord
I give my all to you dear Lord, no one can pull me through like you
Thank You Lord, Thank you Lord, OHH(I Trust You, I Trust You)
