

# The Chant Has Begun

## Level 42

The spirit of the people  
The spirit of the people  
The spirit of the people  
The rhythm has begunThe spirit of the people  
The spirit of the people  
The spirit of the people  
The rhythm has begunThe spirit of the people  
The spirit of the people  
The spirit of the people  
The rhythm has begunThe spirit of the people  
The spirit of the people  
The spirit of the people  
The rhythm has begunOld men with their protocol  
Lead us off to war  
Sometimes we don't even know  
What we're fighting for  
Marching to the beat of their drum, yeah yeahLeaders we no longer trust  
Told too many lies  
The promises they made to us  
Were never realized  
Hear me now the chant has begunNowhere left to turn  
No-one left to turn to  
Voices raised in anger  
They don't have the answer  
Our whole world's in dangerOil slicks on the ebbing tide  
Progress out of hand  
Blind men choke on swallowed pride  
Heads down in the sand  
Don't wanna see the damage they've done, oh noTrees destroyed by acid rain  
Falling from the skies  
When our children place the blame  
Who will tell them, why? Yeah  
Hear me now the chant has begunWhy is love so rare?  
All this talk of warfare  
Too much blind destruction  
Follow love's instructions  
Now the chant has begunThe spirit of the people  
The spirit of the people  
The spirit of the people

The rhythm has begunThe spirit of the people  
The spirit of the people  
The spirit of the people  
The rhythm has begunMake your choice there's no escape  
Add your voice, the chant has begun
