

# Distant Fingers

Patti Smith

When, when will you be landing?  
When, when will you return?  
Feel, feel my heart expanding  
You and your alien arms  
All my earthly dreams are shattered  
I'm so tired, I quit  
Take me forever, it doesn't matter  
Deep inside of your ship  
La, la, la, la, la, la, landing  
Please, oh, oh, won't you return?  
Feel, see your blue lights are flashing  
You and your alien arms  
Deep in the forest I whirl like I did as a little girl  
Let my eyes rise in the sky looking for you  
Oh, you know, I would go anywhere at all  
'Cause no star is too far with you, with you  
La, la, la, la, la, la, landing  
Please, oh, oh, won't you return?  
Feel, feel my heart expanding  
You and your alien arms  
All my earthly dreams are shattered  
I'm so tired, I quit  
Take me forever, it doesn't matter  
Deep inside of your ship  
Land, land  
Oh, I am waiting for you  
Oh, I am waiting for you  
Oh, I am waiting for you  
Waiting for you to take me up by my starry spine  
Oh, oh, with your distant fingers  
Oh, I'm waiting for you, waiting for you  
Oh, I am waiting for you
