How Many Times

Colour The Atlas

Ooh, oh, oh, yeah
Why you got to make this hard?
All the time so difficult
When I'm just trying to get you notice me
Since I can't hold you accountable
For the feelings that I feel
I'll hold you responsible
Cause I know that you can see
How many times?
I've got to say it
How many times?
The DJ gotta play it
How many letters would it take?
To make you understand
How many times?
I have to reason
Baby so you'll know that I need ya
All that I say
How many times?
Baby how can I make you realize?
Requested songs on the love line
Dedicate 'em all to you
I know that your just tired of me by now
Since I can't hold you accountable
For the feelings that I feel
I'll hold you responsible
Cause I know that you can see, baby

How many times?
I've got to say it
How many times?
The DJ gotta play it
How many letters would it take?
To make you understand
How many times?
I have to reason
Baby so you'll know that I need ya
All that I say
How many times?

Baby how can I make you realize?
Baby can't you see I love you
Everyday I try to show you, oh yeah, oh
Baby don't you walk away from me
Cause love could be everything
All of me, all love has to bring
How many times?
I've got to say it
How many times?
The DJ gotta play it
How many letters would it take?
To make you understand
How many times?
I have to reason
Baby so you'll know that I need ya
All that I say
How many times?
Baby how can I make you realize?
