

Meant To Be

Ross Lynch Maia Mitchell Grace Phipps Spencer Lee

Tanner:
I believe we all have a soul mate
The chance for a perfect duet
I believe in hopeless devotion
I just havent found it yet
But in my mind I see
The chick, who is meant for me
Shell be someone who is lovely
Someone wonderful and trueLela:
The kind of boy
Who makes who makes you smile
Even when youre feeling blueLela and Tanner:
And I know, I know shes out there
Most definitely
Oh yeah
Not a phony, or a fake
Sweeter than a chocolate shake
My meant to be
When its meant to be
You go kinda crazy
Meant to be
You forget your name
When its meant to be
Its destiny callin
And nothing ever will be the same!
Oh yeah!Mack:
You need a girl whos into music
To run up high on cupids wings!Brady:
Find that boy with perfect hair
Have a Hollywood ending with dreamsBrady and Mack:Oh, I know, I know shes out there
Cant you see?
Oh yeah!
Maybe youve already met, the one youll never forget!
Your meant to be!
When its meant to be!
The stars seem to glisten!
Meant to be!
The clouds seem to part
When its meant to be!

That's destiny callin!
And if you listen you'll find your heart! Mack and Lela:
Four eyes meet
and the meet is sweet
But need to something more
Tanner and Brady:
What's the deal?
When the way you feel Brady and Mack:
Is something you never felt before! Lela:
Oh!
Tanner:
Gee!
Brady:
Um.
Mack:
Plan B?
All:
When it's meant to be
You go kinda crazy
Meant to be
You forget your name
When it's meant to be
It's destiny callin
And nothing ever will be the same!
