## RipTide Music

Who saw those dark eyes?  
Who saw those dark eyes?  
These years gone by  
Deep withinBurn my skin  
All those years gone by  
In the heat of the night  
All those years gone byWho felt those cold hands?  
Who felt those cold hands?  
Touch my skin  
Deep withinBurn my soul  
Fell to the ground where I was found  
All those years ago  
All those years ago  
All those years agoEverybody makes mistakes  
Everybody makes mistakes  
Even me  
Just be freeThis is a place where in the end  
It happens in our world within  
Time to go  
Time to go
