Fools Like Me

Jerry Lee Lewis

Everybody tells me love is blind
Maybe so 'cause I refuse to see
Everybody tells me things you do
But I don't care 'cause I'm a fool for youIt doesn't really matter what you are
It only matters what you are to me
Maybe I'm not wise enough to see
But where would love be without fools like meMaybe lovin' you that's not so smart
'Cause maybe bein' you break my heart
I really should've loved you but I'd knew
And I keep stop 'cause I'm a fool for youI only hope this time your love is real
'Cause I can't ever change the way I feel
Maybe, maybe I'm not wise enough to see
But with love be without fools like me
