

# Real Cool World (Cool Dub Overture)

David Bowie

So far this love is delightful  
The face of seduction was you  
But I listened for each and every footstep  
In this Real Cool World  
Questioning saint like and fantastic heroes  
Feeling like lost little children in fabled lands  
So I listen for each and every friendship  
In this Real Cool World  
Now there is you  
In my Real Cool World  
Starry-eyed life but somehow believing in nothing  
You whisper sweet nothing but reading between your lines  
I listen, color me doubtful  
In this Real Cool World  
Now there is you  
In my Real Cool World  
Mmm  
Now there is you  
In my Real Cool World  
You came from nowhere  
You came from nowhere  
You held me you shook me  
Hey  
It's a Cool World  
It's a Cool World  
It's a Real Cool World  
It's a Real Cool World  
It's a Real Cool World  
It's a Real Cool World  
Now there is you  
In my Real Cool World  
Now there is you  
In my Real Cool World  
Now there is you  
In my Real Cool World  
Real Cool World
