Country Comforts

Silver Metre

Soon the pines will be fallin' everywhere
Village children always fightin' for fair share
And the six-o-nine goes roarin' down the creek
As Parson Lee prepares his service for next week
I saw Grandma yesterday down at the store
Well, she's really lookin' fine for eighty-four
And she asked me if some time I'd fix the barn
Poor old girl, she needs a man down on the farm
And it's good old country comforts in my bones
Just the sweetest sound my ears have ever known
Just an old fashioned feelin' in my bone
Country comforts and the road that's goin' home
Down at the mill, they've got a new machine
Foreman says it cuts manpower by fifteen
"And oh, but that ain't natural", old man Grayson says
'Cause he's a horse-drawn man until his dyin' days

And it's good old country comforts in my bones
Just the sweetest sound my ears have ever known
Just an old fashioned feelin' in my bone
Country comforts and the road that's goin' home
And it's good old country comforts in my bones
Just the sweetest sound my ears have ever known
Just an old fashioned feelin' in my bone
Country comforts and the road that's goin' home
And it's good old country comforts in my bones
Just the sweetest sound my ears have ever known
Just an old fashioned feelin' in my bone
Country comforts and the road that's goin' home
Country comforts and the road that's goin' home
Country comforts and the road that's goin' home
Country comforts and the road that's goin' home
