

# World On Fire (Junkie XL Club Mix)

[Sarah McLachlan](#)

Hearts are worn in these dark ages  
You're not alone in this story's pages  
Night has fallen amongst the living and the dying  
And I try to hold it in, yeah I try to hold it in[Chorus]  
The world's on fire and  
It's more than I can handle  
I dive into the water  
(I try to bring my share)  
I try to bring more  
More than I can handle  
(Bring it to the table)  
Bring what I am able I watch the heavens and I find a calling  
Something I can do to change what's coming  
Stay close to me while the sky is falling  
Don't wanna be left alone, don't wanna be alone[Chorus]Hearts break, hearts mend  
Love still hurts  
Visions clash, planes crash  
Still there's talk of  
Saving souls, still the cold  
Is closing in on us We part the veil on Archille's sun  
Stray from the straight line on this short run  
The more we take, the less we become  
A fortune of one that means less for some[Chorus: x2]
