Sleep On It

Danity Kane

I might like to get to know you but I can't hear you right now
You're competing with the music but the music's way too loud
Why don't you write down your number and slip it to me?
But you gotta maneuver discreetly
I don't want my business leaking, people like to run they mouth
And I don't need no pressure from you
(Don't need pressure, no pressure no)
Don't need no lectures from you
Just give me a night
And I?ma sleep on it, sleep on it
And I?ll get back at ya when I wanna
Sleep on it, sleep on it
You can keep poppin? off if ya wanna
You keep on stressing me
You, you keep on stressing me
Keep on stressin' if you wanna
Sleep on it, I'ma sleep on it
And I?ll get back at ya when I wanna
I would've loved to hit the dance floor but it?s way too crowded right now
Maybe we'll bump into each other in the future
If you wanna see me then you'll figure it out
Me and my girlfriends came to do it, after workin' hard all week
We like to throw our open toes on and get jazzy
Lounge in the party but you're tryna make me speak
So I don't need no pressure from you
(Don't need no pressure, no pressure no)
I don't need no lectures from you
Just give me one night

I?ma sleep on it, sleep on it
And I?ll get back at ya when I wanna
Sleep on it, sleep on it
You can keep poppin? off if ya wanna
You keep on stressing me
You, you keep on stressing me
Keep on stressin' if you wanna
Sleep on it, I?ma sleep on it
And I?ll get back at ya when I wanna
I ain?t tryna be rude, but you're the third guy

Tonight that's came at me like this
You see I?m tryna be cool, but these dudes
Keep grabbin? me, they keep on grabbin? me
I ain?t tryin? to be conceited, see I appreciate
The compliments you?re giving to me
And any other night, it?d be all right
But now it?s way too much goin? on
I?ma sleep on it, sleep on it
And I?ll get back at ya when I wanna
Sleep on it, Sleep on it
You can keep poppin? off if ya wanna
You keep on stressing me
You, you keep on stressing me
Keep on stressin' if you wanna
Sleep on it, I?ma sleep on it
And I?ll get back at ya when I wanna
Yeah, yeah
