

Sinful Daughter

Dave Alvin

Sinful daughter, sinful daughter
Sinful daughter, sinful girl They call her shameless
They call her wanted
They say she poisoned every well They call her Delilah
And Magdalena
And they call her Jezebel Sinful daughter, sinful daughter
All alone in a sinful world
Banished and branded
Forced to wander
Sinful daughter, sinful girl Well, the preacher in pulpit
Says hell and damnation
Is the destination she is bound Livin in darkness
Lost and forsaken
Driftin town to town Sinful daughter, sinful daughter
All alone in a sinful world
Banished and branded
Forced to wander
Sinful daughter, sinful girl Sisters and mothers
Fathers and brothers
They all shun her Unless she atones
But let the one who is not sinful
Yeah, they can throw the stone Sinful daughter, sinful daughter
All alone in a sinful world
Banished and branded
Forced to wander
Sinful daughter, sinful girl Sinful daughter, sinful daughter
Sinful daughter, sinful girl
