# With Ur Love

## Cher Lloyd

[Cher Lloyd]Baby u the best cuz u worked me out
I keep building walls up but u tear 'em down
I'm fighting I don't wanna like it but u know I like it
But u know I like it like it like it
Used to always think I was bullet proof
But u got an AK and ur blowing through
Explosive, u don't even know it, I want u to know it
I want u to know it know it know it
All of them other boys can walk away
They ain't even in the game
Cuz they know that you own it
U got this swag u got this attitude
Wanna hear u say my name
Cuz u got me
[Chorus]Flying with ur love, shining with ur love, riding with ur love
I feel like I'm on top of the world with ur love
One hit with ur love can't quit with ur love so sick but so what
I feel like I'm on top of the world with ur love
[Cher Lloyd]Everybody wants what I got with you
Cuz I'm standing on top with a killer view
Inspired feeling like a million, I'm one in a million
I'm one in a million million million
I ain't even here I'm in outer space
Like I'm venus your mars in the milky way
It's crazy, what ur doing to me, how u do it to me

How u do it to me to me to me
All of them other boys can walk away
They ain't even in the game
Cuz they know that u own it
U got this swag u got this attitude
Wanna hear u say my name
Cuz u got me
[Chorus]Flying with ur love, shining with ur love, riding with ur love
I feel like I'm on top of the world with ur love
One hit with ur love can't quit with ur love so sick but so what
I feel like I'm on top of the world with ur love
[Mike Posner]U got it yea yea u got it
I could slow it down speed it up how u want it girl all night long

And I don't even care if u sing my songs wrong
1st date, 1st base, 2nd date, 2nd base
3rd date, ur looking at me funny, u got a hard shell but the middle's so yummy
Flying baby I'm shining baby I'm riding with ur love
One hit baby I can't quit baby I'm so sick but so what
Flying baby I'm shining baby I'm riding with ur love
One hit baby I can't quit baby I'm so sick but so what
I'm on top of the world...
[Chorus]Flying with ur love, shining with ur love, riding with ur love
I feel like I'm on top of the world with ur love
One hit with ur love can't quit with ur love so sick but so what
I feel like I'm on top of the world with ur love
