

# If I Was Your Girlfriend

TLC

Shoo doop dooIf I was your girlfriend would you remember  
To tell me all the things you forgot?  
If I was your man, if I was your manIf I was your best friend  
Would you let me take care of you  
And do all the things only your best friend can?  
Only your best friends canIf I was your girlfriendIf I was your girlfriend would you let me dress you?  
I mean help you pick out your clothes before we go out  
Not that you're helpless but sometimes  
Sometimes those are the things that being in love's aboutIf I was you one and only friend  
Would you run to me if somebody hurt you  
Even if that somebody was me  
Sometimes I trip on how happy we could be, pleaseIf I was your girlfriendIf I was your girlfriend  
I know I could treat you right  
I could see what you see and hear what you hear  
And most of all I'd feel what you feelOh make me wanna say  
Shoo doop doo  
If I was your girlfriend
