## Gone

## **Jessica Riddle**

I know you're gone, I know you're leaving me Behind your dreams, Behind your prayers. What do you think, What do you want, What do you love, What do you love? I hear your sighs. I hear your heartbeat Pound me on my back, I'm on my own now. What do I see, What do I feel, What do I love, What do I love?I know you're gone, I know you're leaving me Behind your dreams, Behind your prayers. What do you think, What do you want, What do you love, What do you love?
