Ascension

Minimal Man

She would not be dictated by a desire for vengeance
She realized heâ€™s lost his love, the hunt before the war
She suddenly knew the truth that life had prevented her from seeing.
And when she heard that moan, it was an invocation

Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell

Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell

She begged not to let her child die in the image of her son,
and all the compassion she owed himâ€¨â€¨
She understood the way that beauty ascends to heaven,
and when she heard that alarm she put out her arms again

Ascensionâ€¨
Ascensionâ€¨
Ascensionâ€¨
Ascensionâ€¨â€¨â€¨

People get like ink,
people like actors,
ruled by gesture,
room for doubtâ€¨

Slippery Mr. Brown in this fucked-up townâ€¨
Time to fidget and walk all aroundâ€¨â€¨

Dance, to keep them from going crazy
Dance, to keep them from dyingâ€¨
Dance, to keep them from lying â€¨â€¨

Dance dance danceâ€¨â€¨

Dance to keep them from cryingâ€¨
Dance to keep from lying

Dance to keep them from dying

â€¨â€¨Dance dance dance danceâ€¨â€¨

Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell

Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell

Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell

Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell
Now sheâ€™ll take that glimpse into hell

Now.â€¨

Now.

â€¨Now.

â€¨Now.
